Mr. Lyle Anderson
McKinnon, Wyoming

Dear Mr. Anderson:

Enclosed is your check for services during July. We wish to advise you that this amount was in excess of the budgeted amount during this period. However, during a critical year as we have just experienced we feel full payment is just.

As per our conversation we anticipate no expenses or a very limited expense in August.

It is now advisable that you start preparing your annual report while the data is fresh in your mind.

We will visit you on our next trip to your area.

Yours very truly,

Donald C. Norseth
